Village Suite has a private entrance, two bedrooms, a breakfast center (small fridge, Keurig coffee maker, electric tea kettle, microwave, dishes, silverware, mugs, etc.) There is a bathroom with a shower. The suite includes a desk, closet, bureau, dining table. The person who uses the twin bed will have to walk through the main bedroom (queen) to use the bathroom in the night. The main bedroom is large with dining table in it. Ac will be added during hot months (June, July and August).

The large Crane Room has a shared bathroom with tub and shower. Private after 10pm until 7am. This room has a closet, desk, couch, bureau, queen bed and two bedside tables. This room needs no ac, as it is cool in the summer.
